**Movin' On Up!!**

It sure was hot this summer in Macon! So what did Central High School students do to cool off from the hot summer days?

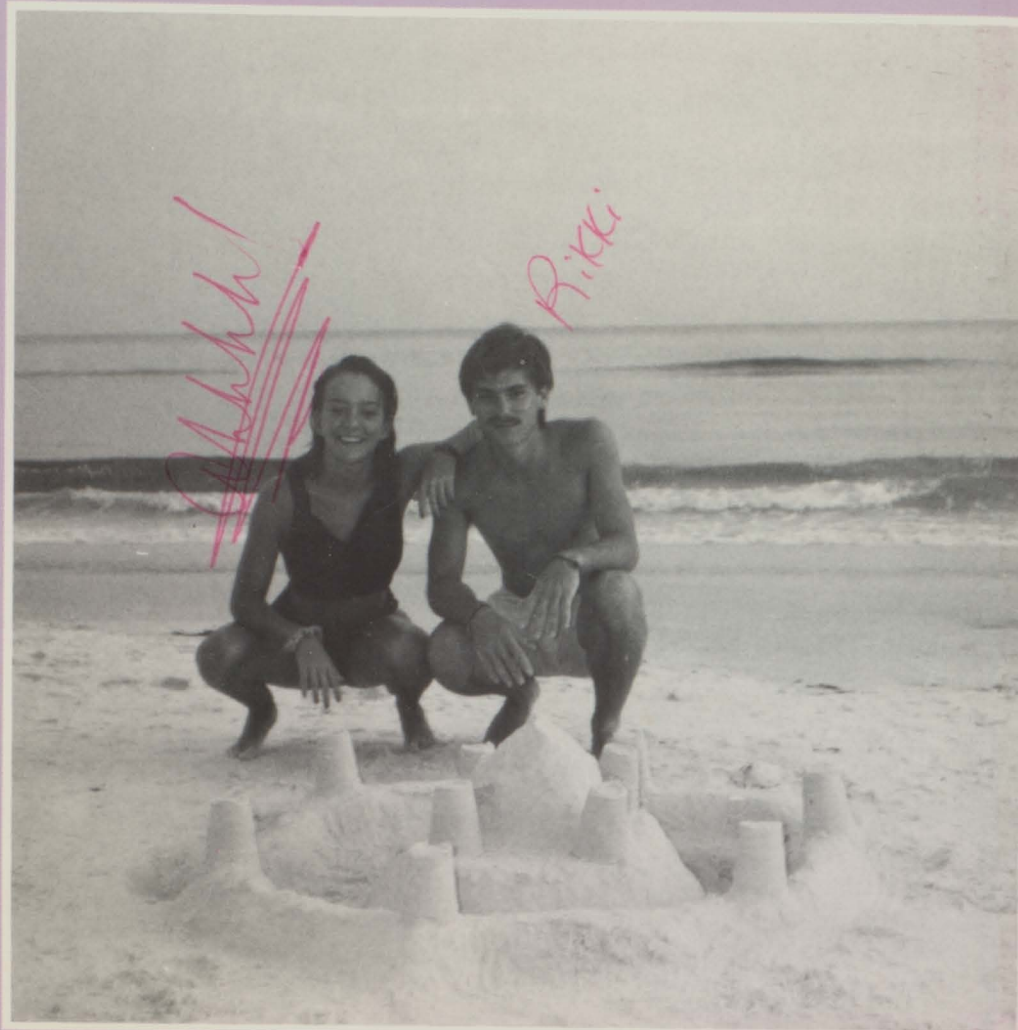

A popular destination was any place that had plenty of water. For some, that was the local swimming pool. Others enjoyed the great beaches in the south — St. Simons, Hilton Head, Panama City, Daytona, and Jacksonville. Parks such as White Water and Six Flags drew large crowds, also.

Traveling took up many of our students' time. Some went to visit friends, others to new and exciting places, at home and abroad.

Then, there were the bums of summer — people who just sat at home and hugged the air-conditioner. They couldn't have survived the summer without their climate-controlled environments.

These are just a few of the things students did over the summer break. Whatever you did, we know you had a great time. One thing is for certain — the students of Central didn't let the heat bother them!

Alison Gaughf spent a weekend at Panama City Beach with Central graduate and boyfriend Rikki Massey.

<sup>2</sup>  
Tina Jones and friend Ben went to Panama City Beach.

1  
Many students enjoyed days at Six Flags over Georgia. This picture of the Log Flumes was taken by Dawn Collins.

2  
Senior Angela Fowler spent a few days at Epcot Center in Orlando, Florida.

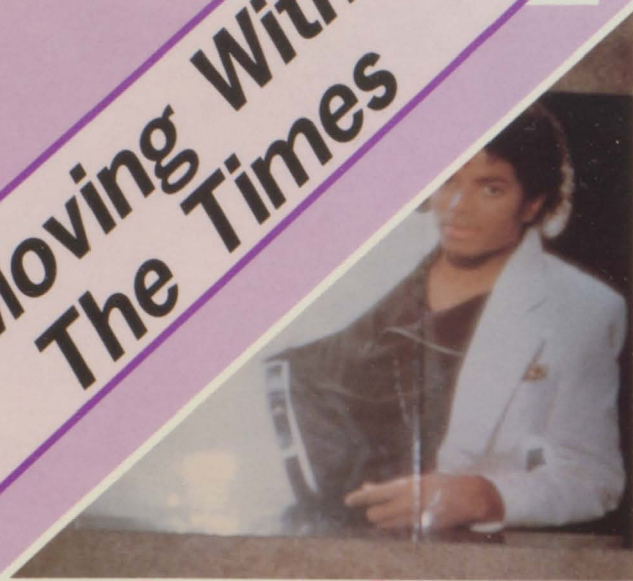

3  
Jennifer Caldwell went rock climbing in Maine.

4  
Central English teacher and yearbook adviser Kitty Corson participated in the Cotton Patch Gospel musical at the Macon Little Theater.

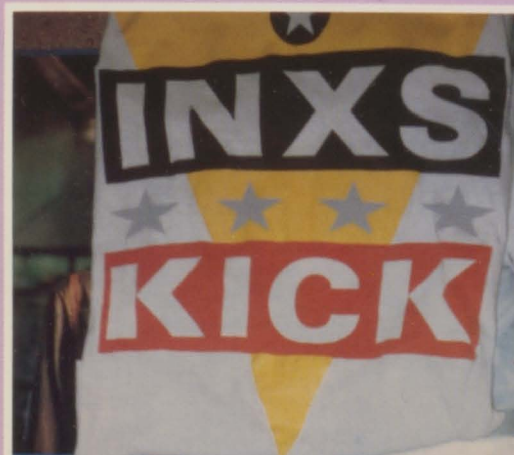

# Moving With The Times

*Gun's 'n' Roses*

1. Michael Jackson — he's "BAD".
2. Gun's 'n' Roses.
3. DJ Jazzy Jeff and the Prince, Salt 'N' Pepa — rap on!
4. Bebraided Trent Darby.
5. Corey Haim and Patrick Swayze are two favorite teen idols.
6. Def Leppard knows that "Love Bites".
7. Charlie Sheen is "Major League".
8. Rob Lowe — admired by the women.
9. INXS, Depeche Mode, and REM remain chart-toppers.
10. Ronald Reagan, Commander in Chief for two terms.
11. The Challenger.
12. The royal couple, Charles and Diana.
13. The fashionable Di always makes a statement.
14. Alyssa Milano and Holly Robinson are popular, especially among teenage boys.

What can we say about life in the '80's? A lot! There were many memorable events that took place —

In the past decade, President Ronald Reagan served two terms. Oliver North was tried for selling weapons to Iran in exchange for hostages. Di married Charles. The Statue of Liberty turned one-hundred years old, and the Wizard of Oz turned fifty. More people became aware and informed about the deadly AIDS virus, which as yet has no cure. Fergie married Prince Andrew and three children were born into the royal family. Pete Rose was found guilty of gambling, and Jim Baker was convicted of defrauding his PTL followers. The tragic event which we will always remember was the explosion of the Challenger. Another tragedy was the USS Stark naval disaster.

We will also remember things in our personal lives, like music. Some people were into Post Modern groups like INXS, REM, and Depeche Mode. Heavy metal fans liked Guns and Roses, Motley Crue, and Def Leppard. And of course there were people who liked rap groups like Run DMC and JJ Fad.

Everyone will remember the fashions, like tie dyed T-shirts, peace signs, leather jackets, and penny loafers. We can't forget our favorite weekend spot — the movies! Vietnam movies like Platoon and Good Morning Vietnam were popular. Then there were the horror movies like Friday the 13th and Nightmare on Elm Street. And of course, everybody loved ET, Top Gun, and Dirty Dancing.

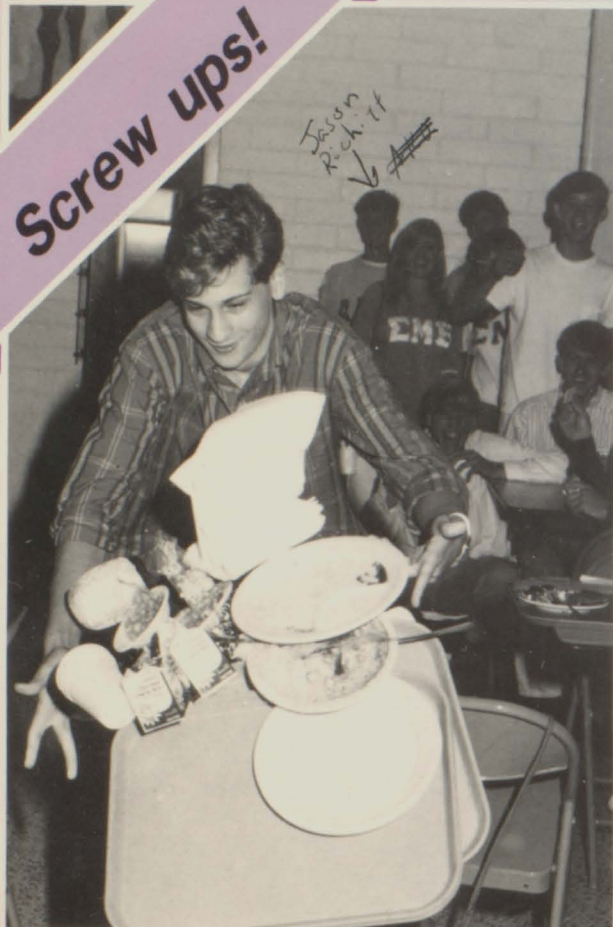

We must not neglect the actors and actresses of the '80's — Alyssa Milano, Michelle Pfeiffer, Corey Haim, and Charlie Sheen. The older favorites were back, like Cher and Robert Redford.

It's amazing that so many things can happen in just ten short years. I hope that we can look back at the decade, remember it all, and smile!

Screw ups!

Don't you just hate it when you're walking down the hall and you notice that special someone giving you the eye?! You turn around to smile when all of a sudden ... SMASH! you smack head on with another student, and books, paper, and pencils fly all over the hall. There's no way to avoid it.

You've just been caught in one of life's most embarrassing moments. Then to top it all off, everyone stares. That's not so bad until that first chuckle comes along. Then, like a chain reaction, the halls are filled with laughter. In your maze of red, you hurry to get away from it all, only to find yourself slipping down the stairs.

The 1989 Pegasus survey tells us that our students' top three humiliating moments are tripping/falling at school, their car stalling, and dropping their lunch tray. Just be careful; when you find yourself in one of those accidents, make sure that the photographer is not around!

1. OOPS!
2. What do you mean, it's not hat day?
3. We had homework? What homework?
4. Is this the way to cure a headache?
5. Do I look screwed up?
6. "Hey, I'm over here", shouts drum major Jessica Williams.
7. Aim at the target, not the teacher.
8. Our mid-air ballet could use a little work.
9. Oh, no, I left my book across the street ...
10. After all, life IS what you make it.

ON OUT!

1  
It was love at first sight and ever since November 9, 1986 for Angela Fowler and Scott Turner.

2  
"A lifetime's not too long to live as friends" — Amanda Ellison and Jennifer Weatherly.

3  
Jennifer Caldwell and Phil Haynie, her second dad, in Scrooge, a play at Macon Little Theatre.

4  
Tomoka Nelson and Toyann Daniels sitting pretty. They've been dating since March 1988.

5  
"Love, love me do — you know I love you —" Lon Harbin and Misty Shumaker.

Here at Central High School there is love everywhere. There is boyfriend/girlfriend love, love from friend to friend, a love for our school, and a student/teacher love. With all this love, no wonder Central is the best school around!

Friends are a rare breed these days, and to have a true-blue best friend is special. Rosa and Tracey Davis are great friends. Rosa said that what makes Tracey her best friend is that she is nice, caring, and loving. Tracey's feelings were mutual.

It's very special when there is a student-teacher love; when a student thinks his teacher is the best in the whole school. Some students think of teachers as being old and mean, but they aren't always! Teachers like Mrs. Patricia Toliver and Mr. William Turner who want to share all their knowledge and skills are appreciated.

Finally there is a love for our school. When students and faculty do their very best to make our school number one, they go beyond the call of duty to better Central. That's a special kind of love.

# UP TO DATE

1

Mitch Tucker, Dawn Collins, and John Sink look like they're having a good time!

2

Sisters forever ... this was taken this summer. It's the last picture taken of Angela and Rhonda Sue Fowler.

3

Happy smiles from Cicely Mason and Micheal Little.

4

This vested couple, Adonis Thomas and Chelsea May, began dating on Valentine's Day, 1989.

5

Shanda Galloway and Jorge Hall have been together for one and a half years.

6

Graduation Day '89 for Keith Lankford, Dana Harbin, Brandon Bizell, and Chuck Griffith.

Another hard day of band practice —

1

Michael Fabrizio and friend "hang out" on the way home.

2

The everyday ritual of crossing the street to class.

3

Central students playing around during lunch.

4

Don't talk with your mouth full — we don't want "see food" for lunch!

5

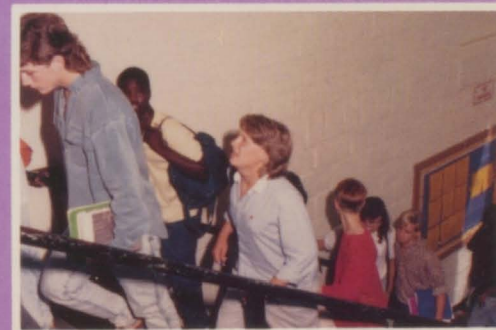

"Just one more step to go —" sighs Tonya Greene.

How do you like my jeans?

An assembly is always fun — and an experience!

The "KILLER STEPS" at Lanier A.

Enjoying a delectable french fry —

One of the things that has helped to make the world a madhouse this year is computers. They do wonderful things like putting freshmen in senior English. The one disadvantage to that is that the freshman, being new and not knowing about these things, will spend half the year in the class and get no credit!

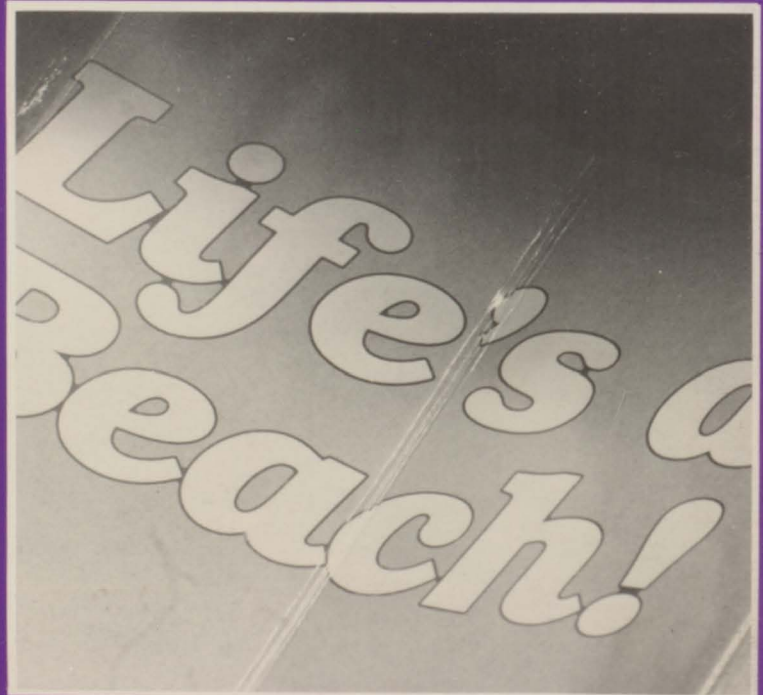

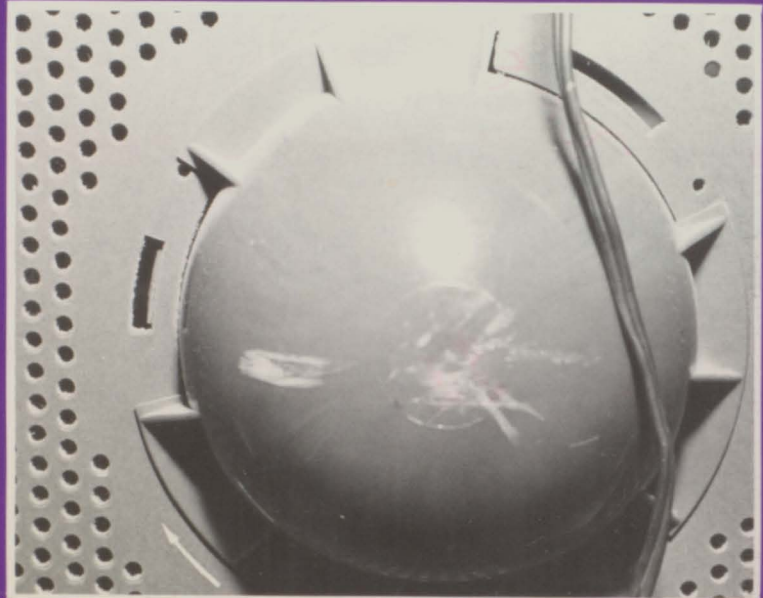

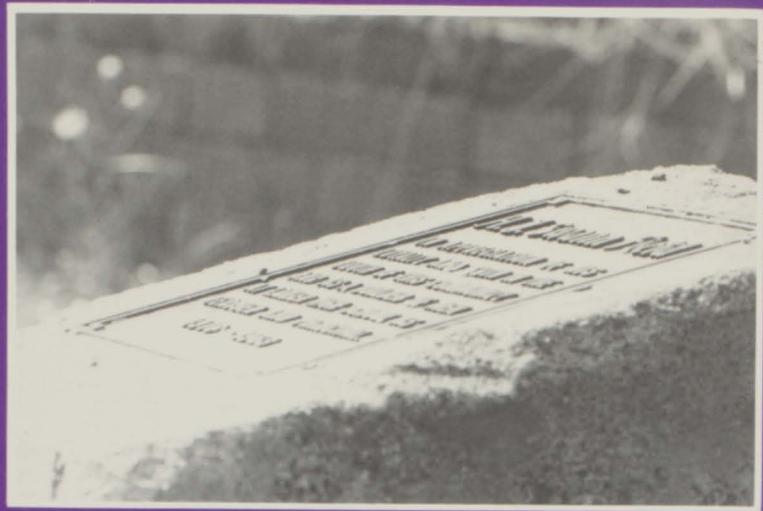

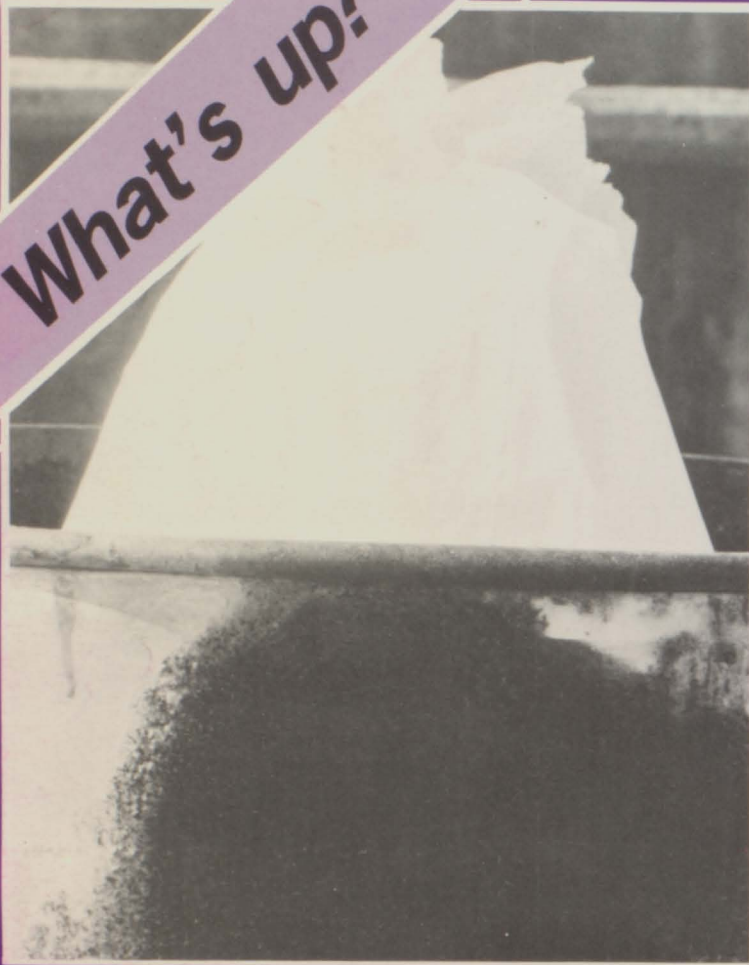

In many cases, students wound up with no schedules at all. So they had to go to the office and sit in line and wait — and wait. But the masses of people in there kept them company. Many couldn't get any of the classes that they wanted.

Another problem is the crowds of students in classrooms, the lunchroom, and parking lots. Desks were in short supply at the beginning of the year, along with textbooks. You would think that with an extra high school, these maddening problems would be alleviated.

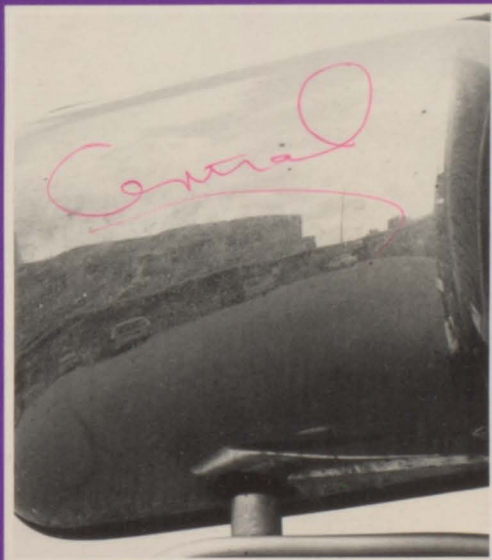

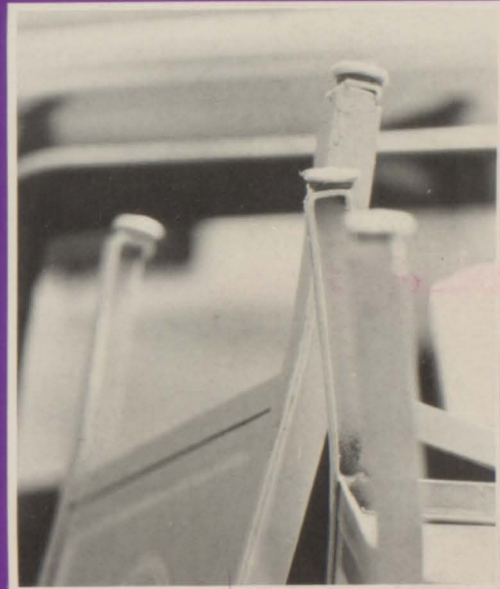

But all in all, the school year was fun, exciting, and filled with new experiences and promises.

What's up?

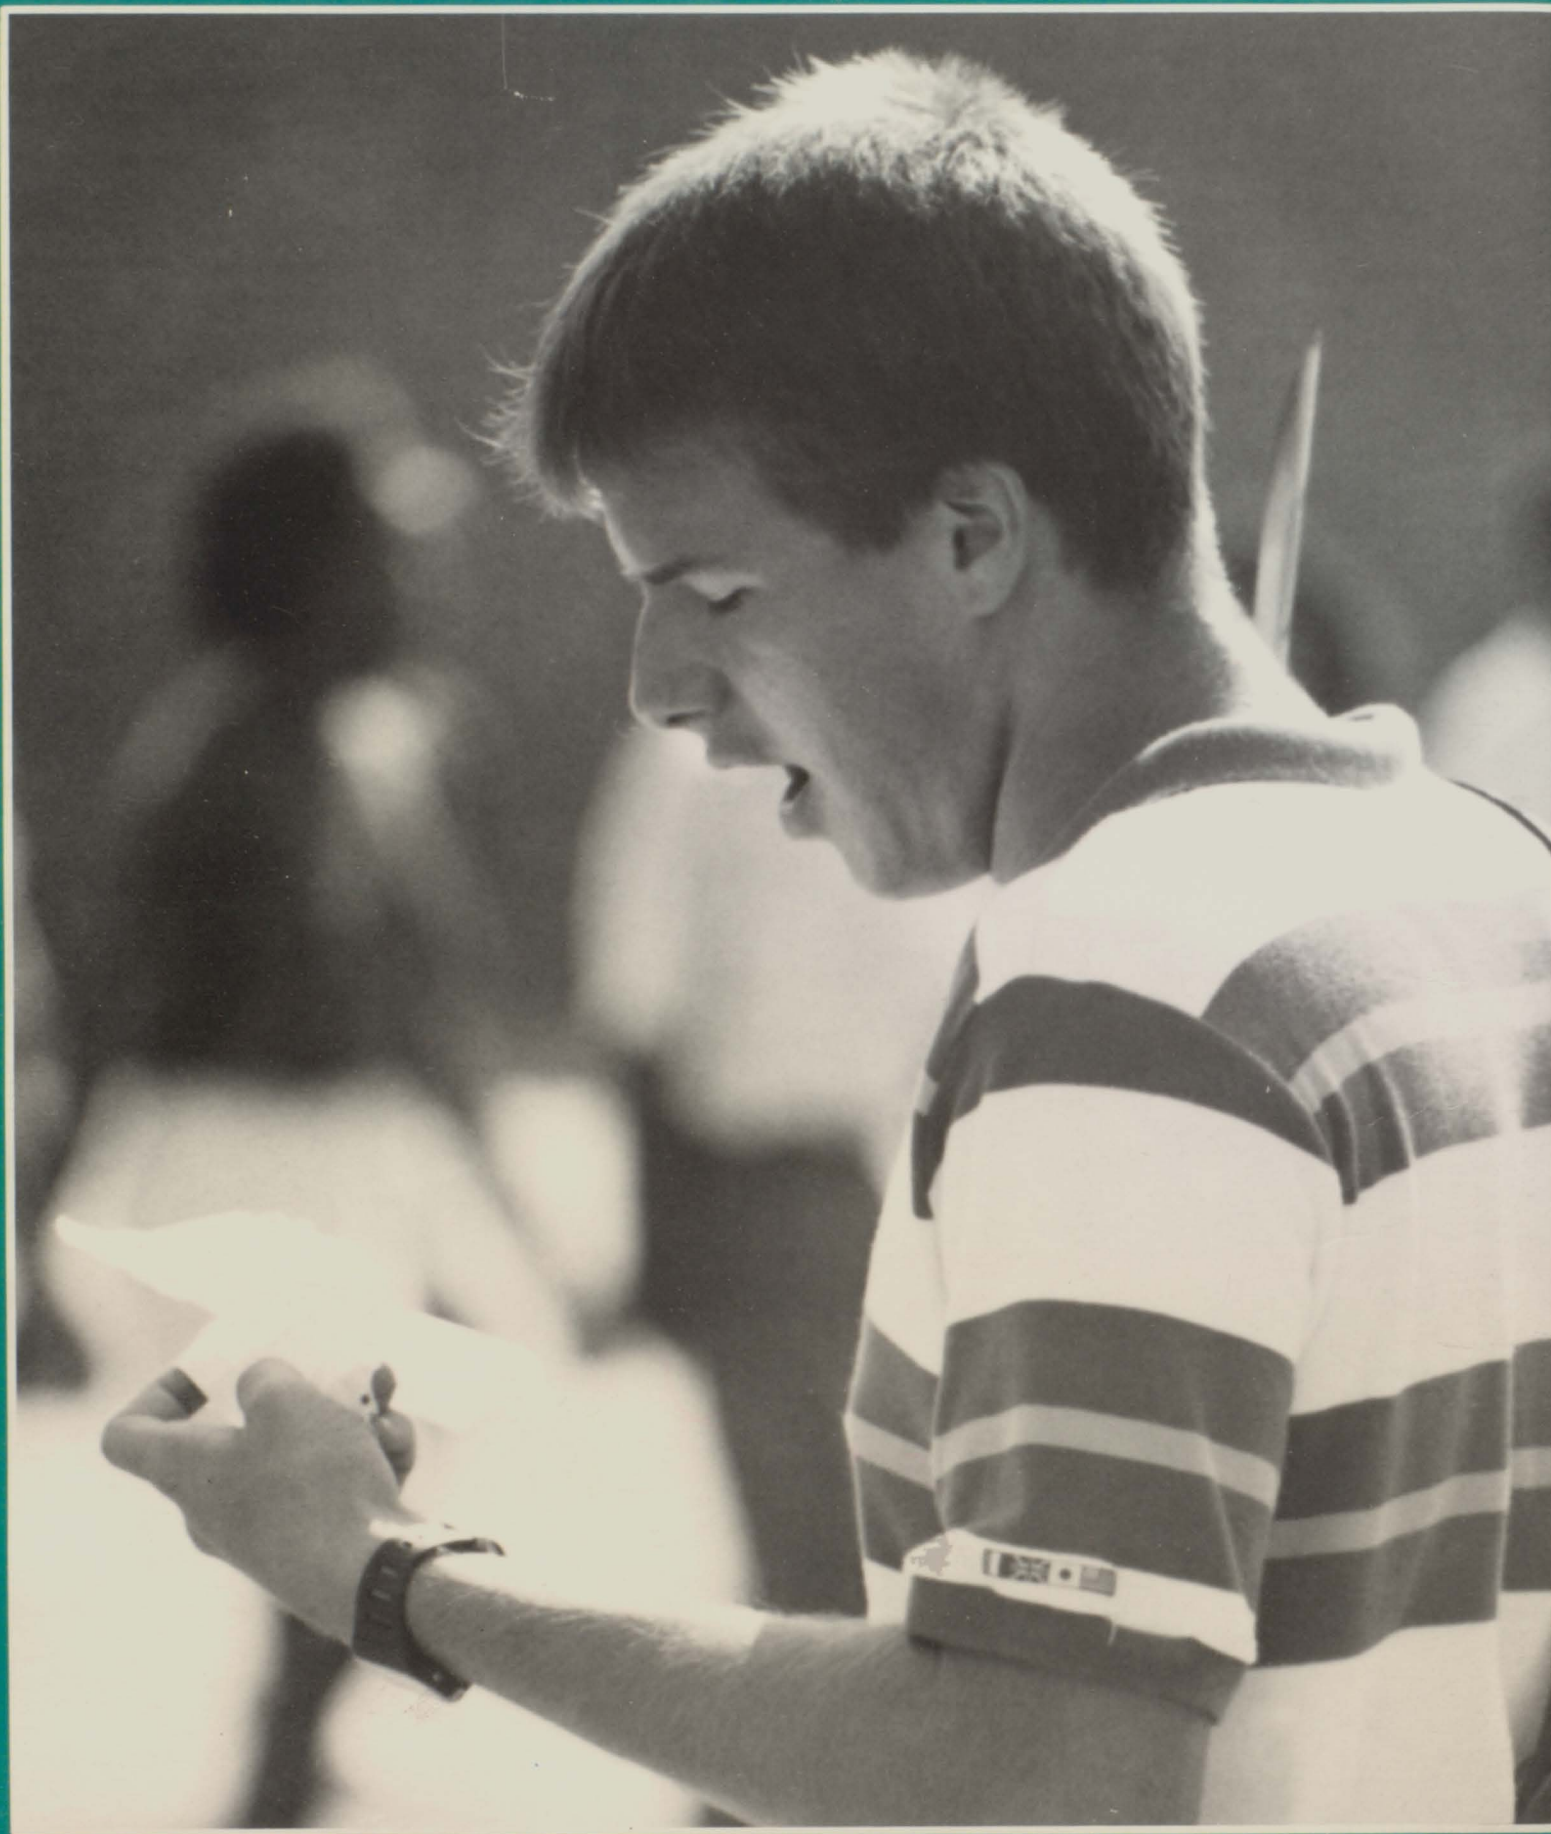

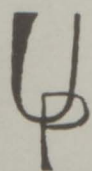

We all know how strange things at Central can get! The students and faculty can be pretty weird themselves. But believe it or not, the most common things can be seen as odd from different vantage points. For example, if you look at the point of a pencil directly at the tip, you may see something totally different than someone else looking at the same thing.

Are you one of those people who study a part of an object (without knowing what it is) until you can tell what the object is? If you are one, can you correctly identify these pictures? If you submit all your answers to Ms. Corson's room (422), you may win a \$50.00 gift certificate from the Macon Mall. Have fun and good luck!

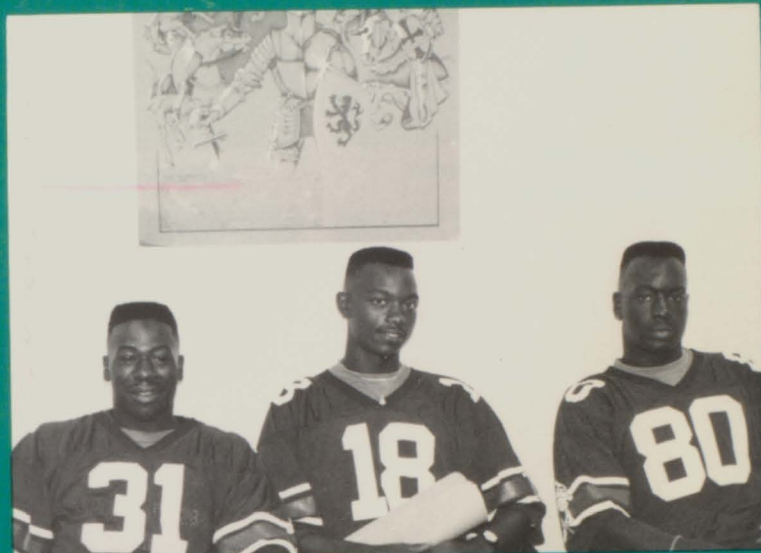

# *with SENIORS*

Your senior year in high school is an emotional and question-filled time. You ask yourself so many questions about the future, and the most-asked question is, "Is there life after high school?" Twelve years of going to school and seeing the same faces; what could possibly be next?

Years from now as you look back on your high school days, you'll discover that graduating does not mean that all of your memories will fade, but they will remain vivid in your mind as if they happened yesterday.

The future is yours, class of 1990. Take advantage of it. You have a fresh new start and a new decade to look forward to. The foundations you've laid will determine your future. It is now up to you to set goals and start moving up towards the future.

"... life has just begun. It shouldn't seem as if it's a pause in life ... a bright new beginning of the future." Cathy Boone.

# JUNIORS!

Juniors! Four hundred and twenty of this year's class, rocking at pep rallies, academically strong, and leaders of many of Central's clubs — the class is diverse and full of that Charger Spirit. Some would say that the junior year is the hardest; no excitement of a new school, and they don't get the privileges of the seniors. Juniors only work hard to get good grades, stress is high, and headaches are common. For many juniors, though, this is not the key to their year.

Some say that the juniors are above the freshman and sophomores, but they don't have to be as mature as the seniors. But no matter what the view, the juniors are a big part of Central — looking toward moving on up to their senior year.

# Charger Pride Night

3

2

1

The spirit is back at Central High School! That was the theme of the first Charger Pride Night celebration and pep rally for the Central-Southwest game. The night began with a spaghetti dinner in the Lanier B cafeteria, sponsored by the PTSO. Attention soon turned to the Lanier B Gym as over 1500 students, teachers, and parents brought the house down with their enthusiasm.

After the pep rally everyone followed the band out to a bonfire beside the bleachers. The fire was blazing, the band was playing and everyone was cheering; it was apparent Charger pride was definitely present to cheer our outstanding Charger football team as they went against our arch rival, Southwest! Long live Charger Pride!!!!

4

5

1. The cheerleaders, as always lead everyone in spirit.
2. Mrs. Patricia Barfield, PTSO president recognizes those parents and organizations that helped make pride night a success.
3. Willie Kendrick, disguised as "Southmess" Patriot limps onto the gym floor.
4. Senior football players and their parents receive much deserved recognition.
5. Central students have a good time at the bonfire, while wishing someone would turn the heat down.

# ***Chargers At The Game***

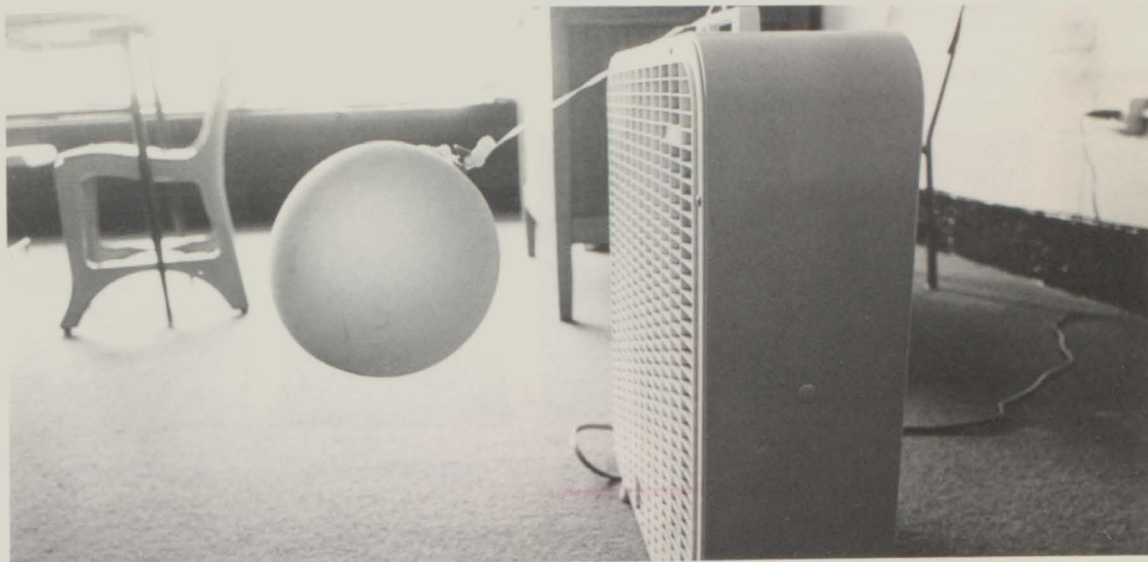

***Key Club Welcomes  
Mrs. Espy!***

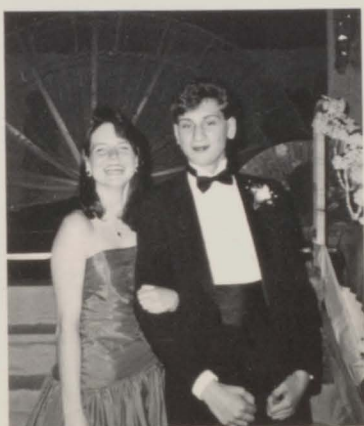

# U and coming **SOPHOMORES**

The first day of school has arrived and it's your sophomore year, but some of the same thoughts from the past year race through your mind.

Being a sophomore has its advantages and disadvantages. It means not being the low man on the totem pole, but you always have the juniors and seniors there to remind you that you're not at the top.

This year will pose many opportunities to meet new people and dissect plenty of creatures in Biology. It could be the best year you'll have in high school. So keep in mind that your sophomore year is a year that you'll never forget!

"It's definitely better than being a freshman! This year is going to be a good year; I can already tell." Tabitha Batson.

# FIRST FRESHMEN

It's Monday, but not just any Monday. It's the first Monday of a whole year that you will spend as a freshman.

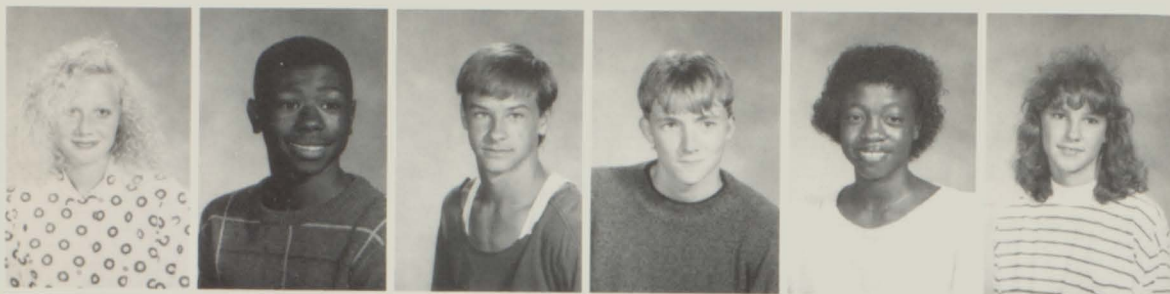

You feel nervous and you are wondering where you will go, and who you will eat with at lunch. You walk around school and feel as though "FRESHMAN" is written all over you. But don't worry, be happy — because one day you will be a Super Senior!

"BEING A FRESHMAN — IT'S AWFUL!" moaned Danielle Griffin. There's not much else to say!

## *close & personal . . .*

Central's athletes are champions in sports ranging from A to Z. From the coaches to the fans, everyone at Central is part of the athletic program.

Central sports are a success. They help students to learn, grow, and meet new people. Also, with many city championships under our belt, we are very well-known for our athletic ability.

With our great coaching staff: Coach Simonton, Coach Edward, Coach Greene, Coach Holleman, Coach Jones, Coach Smith, Coach Campbell, Coach Brown, and Coach Little, Central strives to be the best.

"The makeup of the players is special. They have a lot of enthusiasm. They are dependable, and one of the most hard-working we have had." Coach Simonton.

This year's football season proved to be very much a success for Central. Behind team leaders such as David Brown, Rico Fuller, Justin Gray, Adrian Brown, and Keith Higgins. The 1989 Chargers rolled to a 9-3 record. Central practically dominated among the city's teams. Central finished runner-up in its sub-region. The Chargers also qualified for the region playoffs and defeated the Southwest Patriots 21-7. Central then faced the No. 1 team in the nation and fell by a score of 3-30.

Charger football achieved more than Keith Higgins had expected. Higgins said, "In the beginning the year seemed to be a doubtful one, but after we got to 5-1 I felt that it would be more successful than I expected."

# Soccer

Central soccer! Strenuous work, high flying jumps to head the ball, fierce clashes with another team, relaxing after the game. The first varsity soccer team at Central High School began last year with a smash. They had enough players to field two teams and still have substitutes. Many of the players have been asking, pushing, and petitioning for a soccer team in the High School for many years and now the varsity soccer team is here. Even more novel is that it is a coed team. (There were not enough girls to make a separate team. In fact there were only two girls.) This year the team was stronger than ever and expanded its opponents to competitive state-wide teams.

# GOLF

## '89

*"Movin' Across the Green"*

Golf Team Members: Darren Mackin, Michael Hilton, Joe Wilson, Mickey Claxton, Michael Helgeson, Coach Leonard Green.

For the past ten years, the Central Charger golf team has reigned as City Champs. Behind the leadership of Mickey Claxton, who was the Georgia AAAA Champ in 1987, Central has remained a strong contender in the State Championship.

# Sports Brief

The athletic department at Central is large. You have your choice of sports from golf to football to wrestling, among at least ten other sports. It takes a lot to pull this magnificent program off. Somebody must be responsible for doing paperwork, getting equipment, coaching, and playing. If you stop and think about it, that's a whole lot of time, energy, and dedication. But all of this produces excellence. The excellence of taking award after award: trophies, championships, honors, and the biggest award is the pride with which participants can say they did their best.

Here are a few of the coaches that help in giving this school the best:

**Coach Tom Simonton** — Has coached 10 years at Central  
Coaches: Football, Girls' Tennis

Best Seasons at Central: 1981, 1990

"It is disappointing when a player drops off the team when I know he could help us and himself." He likes "Getting to know the men that play for me."

**Coach Jones** — Has coached 28 years at Central

Coaches: B-Football, B-Girls Basketball, Varsity Baseball

"I played basketball, baseball, and ran track at Oglethorpe High School. I enjoyed playing all kinds of sports, so I thought I would enjoy coaching them."

**Coach Green** — Has coached for 29 years

Coaches: Basketball, Golf

"My best year was when Mickey Claxton won the Georgia AAAA Championship as a 10th grader. My worst year was 1989-90 when the girl's basketball team lost 12 games in a row."

This is what some Central athletes said about sports:

**Christian Gray** — Wrestling — "You develop body strength and it also helps your self-esteem."

**Lloyd Martin** — Soccer, Tennis, Baseball — "Sports are fun!"

# Students cont'd:

## Soccer rules!"

Stacy Stark — Soccer, Softball — "They help you keep in shape. Central always has winning teams."

Eleanor Mixon — Tennis — "Central sports are great. Tennis gives me something constructive to do."

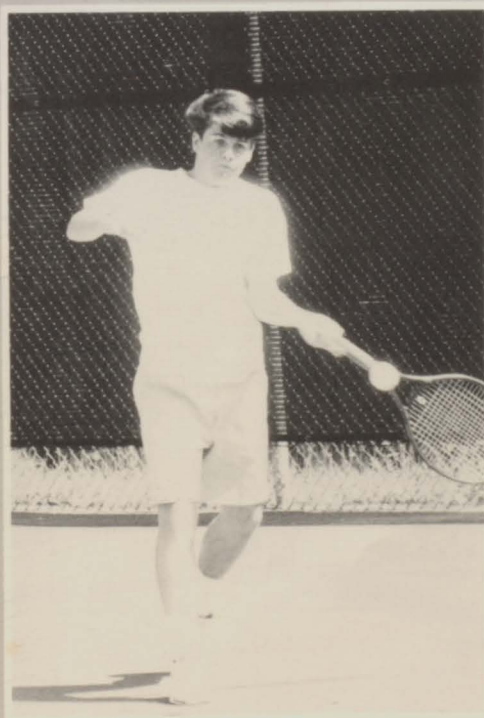

Ronald MacMillan — B-Football, Basketball — "It's very fun. The coaches teach a lot about sports and help you do better."

David Brown — Football — "It's plenty of fun and I've gained a lot of strength."

Robert Hart — Baseball — "It's an experience. You learn a lot being on a varsity team and it helps you stay in shape."

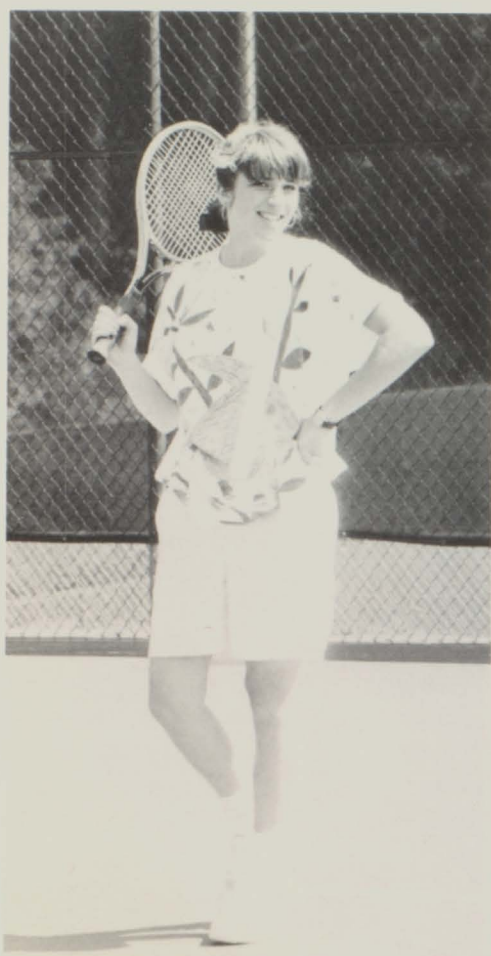

Andrea Dinkens — Basketball — "I learned how to be a part of a team and how to apply myself. Sports also teach responsibility."

## *your alley ??*

Central High School students are involved in many clubs and organizations. Extra-curricular activities play an important role in the high school scene. A student's participation in a club helps him to express his personality and round out his education. Interests in a particular subject are heightened by joining a group of people with the same interests. The wide variety of clubs at Central ensures a place for everyone. It's your move! Find a club that's right up your alley.

Mrs. Toni Ryle, adviser for the junior-senior prom, says, "Clubs are infinitely important. There's more to school than books."

# Student Council

Student Council is an organization made up of representatives of each class and club. Student Council helps out with school social activities like Homecoming. Student Council plans many services projects of the school. Robert Twilley, the president of the Junior Class, says, "It gives each class an opportunity to express ideas that they feel are necessary".

**Student Council Officers:** Tonya Barron, vice-president; Erica Shaw, president; Cindy Hill, secretary.

**Student Council Members:** first row — Chevelle Johnson, Kisha Foster, Monique Davis, Tonya Barron, Varina Raines, Shanda Galloway, Stephanie Brown, Lashonda Hill, Kimberly Land, Richard Battle. Second row — Sonja Morris, Waleesa Maynard, Tracey Jackson, Erica Shaw, Daphne Childs, Shakira Card, Susan Billingslea, Latisha Lamar. Third row — Robert Twilley, Michael Gibson, Laura Walker, Keith Hollingshed, Susan Joyner, Barbara Brown, Ula Rosner, Melanie Gaskins. Fourth row — Jamie Stembridge, Justin Cole, Ann Day, Bridgett Flynn, Amy Herman, Jessica Held, Cindy Hill, Jennifer Caldwell. Fifth row — Algeretta Owens, Lonnicia Jackson, Mandy Scarbary, Lisa Call, Eric Carswell.

**Freshman Class Officers:** Melanie Gaskins, secretary; Amy Herman, president; Susan Joyner, vice-president.

**Sophomore Class Officers:** Algeretta Owens, representative; Lonnicia Jackson, president; Shakira Card, vice-president; Lisa Call, secretary.

**Junior Class Officers:** Richard Battle, vice-president; Robert Twilley, president; Latisha Lamar, representative; Kimberly Lane, secretary; Stephanie Brown, representative.

**Senior Class Officers:** Chevelle Johnson, representative; Sonja Morris, president; Kisha Foster, vice-president.

# Governor's Honors Program

Governor's Honors Program is a summer program at Valdosta State College that lasts for six weeks. It is a study program similar to college for students who have excelled in one of the chosen areas. The courses of study are Communicative Arts, Dance, Foreign Language, Math, Music, Science, Social Studies, Theater, Visual Art, and Vocational Education. The student must be nominated by a teacher before going through a series of steps to get to the state interviews. Nominees are screened out at each level. It is quite an honor to be selected for GHP, and Central had five participants for 1989. They were Justen Gray, Cindy Hill, Lloyd Martin, Ula Rosner, and Jessica Williams. These students just keep on Movin' On Up!

Governor's Honors Program Participants: Ula Rosner, Cindy Hill, Jessica Williams, Justen Gray, Lloyd Martin.

Girls' and Boys' State is an annual program. It is designed to give high school girls and boys a better understanding of their government and how it is run on a local, state, and national level. The students selected were Artimus Hart, Kisha Foster, Aaron Moore, and Muriel Palmer.

## Concert Choir

Concert choir consists of forty students who sing a variety of music, from classical to quick-stepping jazz. Both this group of young people and the show choir have been involved in many festivals and went to Gordon College to compete. Mrs. McLemore commented that, "The trip to Gordon College was a good experience." She also likes to say that, "This year is the premiere year of the concert choir."

The show choir, Laison, is a smaller ensemble taken from the concert choir. This is the group that is often seen around Central's campus and in the community. This year was one of the building years as that two choirs developed their talents. Mrs. McLemore has enjoyed this year and found it a pleasant experience and the talent overwhelming.

Central's Sugarbear band rocks the pep rallies and football games with the spirit of its music. At the last few games the band let loose and shocked the crowds with an explosive dance. The band also competes at marching festivals. "The Central High School Sugarbear Band may now take the field" — that's what the announcer said at both the Hawkinsville and Fountain City competitions. The band was awarded Overall Superior at both. The Sugarbear Band also is involved within the Macon community. The band plays at the Georgia State fair and Macon's annual Christmas parade. In April the band leaves for Walt Disney World where they will ignite the festivities with great music. Central's band is a necessary part of the school's spirit and pride.

# CENTRAL R.O.T.C.

The Central High School JROTC is noted as one of the oldest JROTC units in America, and ranks in the top 20% across the country. The Central High School JROTC started in 1917 when Central was a school for boys; for fifty years JROTC was a required class.

Through the years the JROTC classes at Central have become a tradition. In March there is a Military Ball. On parade days everyone has his brass sparkling, and we can also see the Golden Boots "show their stuff" in a drill meet.

Each year is full of special events at Central High. We sponsored a beauty contest — for boys. The Jerry Lewis Telethon, on September 3, was a huge success, and we are proud of the student volunteers who participated. Prom night was a memorable one. Anyone who missed the homecoming game missed out.

Did anyone have fun at the fair this year? You got a holiday from school just to attend. The concerts were great — Rolling Stones, REM, Ronnie Milsap, The Indigo Girls, and The Who. Four exchange students came to Central.

The street dance this year was fantastic. The 1989-90 school year was a **BLAST!**

"It is wise for you to enter these rooms to gain knowledge, wisdom, and truth that may be useful and helpful to one's self and all mankind."

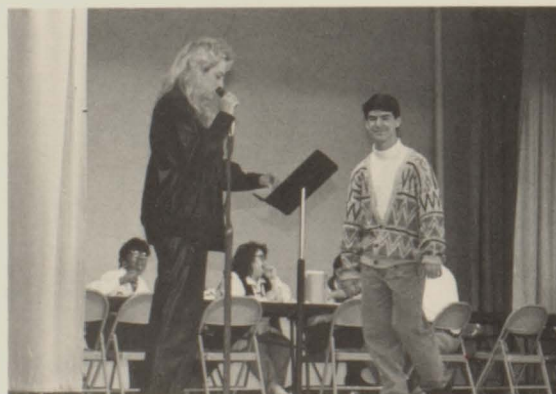

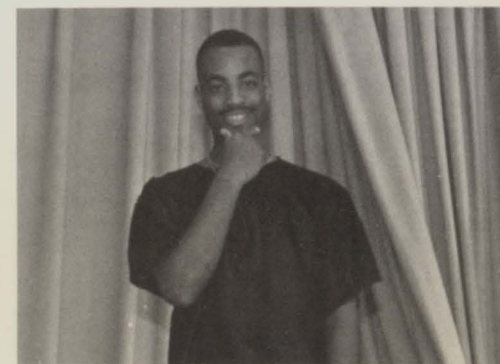

# CENTRAL — MR. 1990 Beauty Contest

The wide-eyed girls watched the display of handsome gents, and the young men tried to conceal their envy. On Friday, January 19, 1990 the Central High School Yearbook sponsored a male beauty contest in the Lanier B cafeteria.

The crowds of students that dare to eat during 1st and 2nd lunch were heartily entertained by the twenty contestants. Applussions filled out by the contestants also proved entertaining. The contestants were asked a variety of questions, some about their hobbies, sports, fears, and one about their dream girl. Kevin Mills described his dream girl as being one who could bring home the bacon, fry it up in the pan, and never let him forget he's a man. Teron Stringer listed his Mom as a fear, and Keith Higgins put jello-wrestling as his favorite sport.

The contestants enjoyed their chance to shine and the winners relished their new-found stardom.

In 1989 singers from all over found themselves in Macon, Georgia, playing to the half-crazed concert-goers. The Indigo Girls, Emily Saliers and Amy Johnson, began their climb to popularity in small pubs in Athens, Georgia. Recently they played at the Victorian Village. REM, another Athens-based band, played in the Macon Coliseum in November as a part of their Green Tour. New Kids on the Block rocked the Macon Coliseum on March 4 for hordes of screaming fans. Debbie Gibson, the starry-eyed girl whose songs shot up the music charts, performed in Atlanta in 1989.

Country-lovers were also satisfied musically. Ricky Van Shelton, and Alabama, a famous country group, both performed here in Macon. Also, the Rolling Stones played to an ever-faithful crowd at Grant field in February.

Bands that originated in Macon, such as Piedmont Cooks, Drivin' and Cryin', Vex, and the 7 Simons played throughout the community. This past year was an explosive one, with great parties, good times, and outrageous concerts.

**T**his planet is exploding. In the 1980s global population ballooned by 800 million and annual world production leaped by more than \$3 trillion. Freedom erupted from Argentina to the Philippines, and gales of glasnost ripped through the Soviet empire. Millions hit the fast track for gold and glory. Satellites, fiber optics, fax and TV swaddled the globe in a crazy quilt of information. But problems grew just as fast. Epidemics of terrorism, drugs, crime, AIDS, homelessness, hunger and pollution raged over the globe. Life in the '80s, in short, was protean, exuberant—and often dangerous. May 6, 1989 began like any other Saturday; the sun came up, cartoons came on T.V., and people just kidded around. However, if you were a junior or senior, this wasn't just any day. There were just 12 hours until the prom.

The day started for most of us around 8:00 a.m. with the SAT and then decorating for the dance. Decorations included putting up the mural, which Mrs. Kitchens said was most fun, the placement of the silhouettes on the stage (directed by Mrs. Ryle), and the placing of columns on the dance floor (which changed about twenty times).

Mrs. Edwards and Mrs. Swint spent much of the day doing paperwork, while Mrs. Brannen put together the refreshments. Finally around 3:00 the volunteers were allowed to leave, while the advisers stayed to put on the last touches. The 1989 prom was definitely worth all the time and effort — it even won national recognition!

Excitement Downtown

Up, Up, and Away!

Every year in October masses of people spill into Central City Park to enjoy the rides and see the sights of the Georgia State Fair. Children drag their parents through the petting zoo and livestock fair with fingers sticky from cotton candy. Couples sit entwined in each others' arms in the bucket seats of the ferris wheel, as screams of the victims on the wild rides bounce off the stars.

Another big event is the Cherry Blossom Festival. It is held in March and is a week of music, crafts, and fun. The many booths exhibit a variety of arts and crafts and delicious foods. Crowds of people browse and inspect the many items on sale. People come from far and wide to enjoy the relaxed atmosphere and hospitality of the festival.

Friends from afar ...

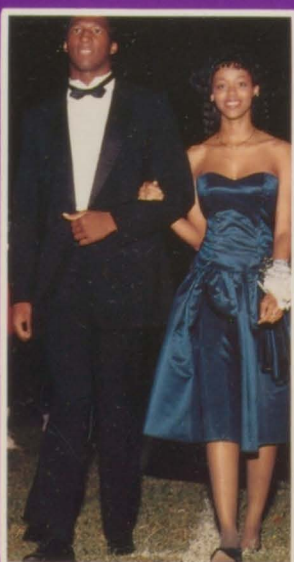

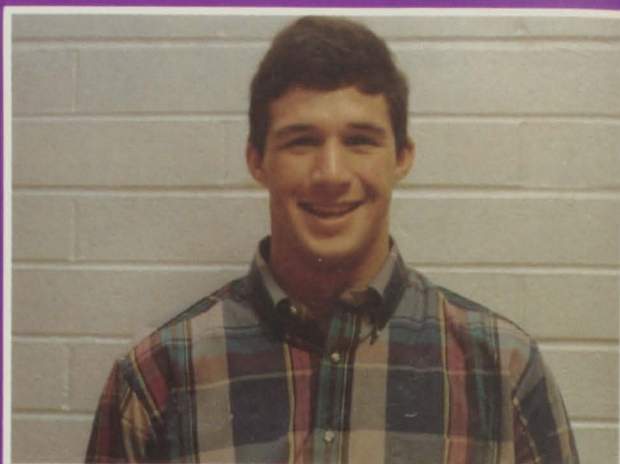

For "One Moment in Time" Earnesta Green and Justen Gray were royalty. On Friday, September 22, 1989, they were crowned homecoming king and queen. Earnesta says that she felt shocked when she heard her name as the winner. "More words cannot express my pleasure at being Miss Central. Thanks for your support."

Earnesta was escorted by Jaime Bostic. Justen Gray's stand-in was Lloyd Martin, who was escorted by Beth Olsen. Justen was unable to participate in the actual ceremony because he was playing on the field.

Barbara Brown was first runner-up for Miss Central, and she was escorted by Vernon Ryle. Other nominees were Daphne Anderson, Sharon Chambliss, and Sonja Morris.

Charles Harvey was first runner-up for Mr. Central, and his escort was LaTrisha Simmons. Other members of the court were Antonio Austin and Cedric Howard.

# *The right moves . . .*

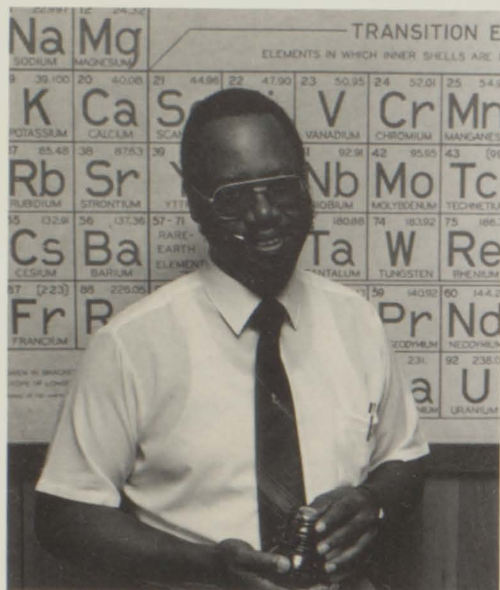

Central High School could not exist without the wonderful faculty it has. I feel it is time the faculty here get the recognition they deserve.

Being a member of this faculty may not be the most luxurious position in the world, but it is one of the most important. The faculty helps give us the brains and know-how to become whatever we want in life. I challenge the faculty to keep up the good work so that the future generations will receive the same high quality education that we have.

"I love teaching and I love to see students learn new things each day . . . I enjoy helping them understand about certain subject materials that they will need and use in the future." Mr. Nichols.

# Speak Up!

**Miss Hughes:** "I began teaching because I wanted to touch the future. I always felt right tutoring and teaching people. My favorite students to teach are those who have a desire to learn."

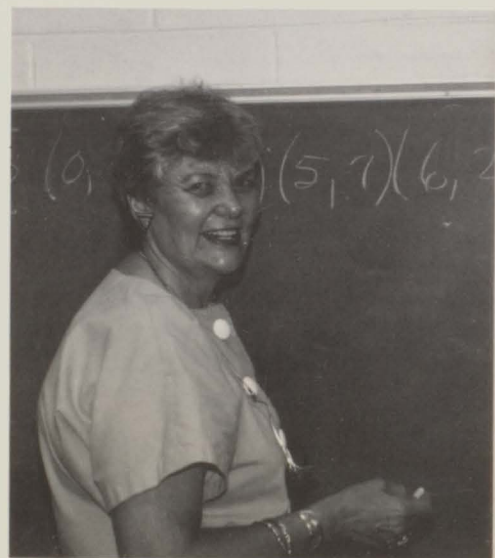

**Mr. Pettigrew:** "I enjoy the friendly and relaxed atmosphere at Central, as well as working as an adviser to several clubs. This is my 28th year teaching and my favorite subject to teach is AP Calculus."

**Mrs. Irby:** "I enjoy teaching students who want to learn and try to do their best. My favorite subject to teach is English and I also like speech. I have been teaching for quite some time and do not plan to quit soon!"

**Mrs. Tuck:** "This is my fifth year of teaching. My favorite subject to teach is Graphic Arts, and I enjoy teaching high school students."

**Mrs. Goodwin:** "I became a math teacher because I always liked to work with numbers. I enjoy teaching students from the ages of 15-17; most of all I enjoy teaching those students who want to learn."

**Ms. Brannen:** "I started teaching in 1952, after being unhappy in the fields of radio, business, and religious education. I stayed in teaching because of the young people I come in contact with. It is such a joy to watch young people grow and mature and realize their full potential."

**Mrs. Parker:** "I like teaching juniors because they are more mature than sophomores and I especially love American History. My worst experience is when I had a sneezing attack which interrupted my observation by the principal."

**Coach Edwards:** "I have been teaching school for nine years and got into the profession because I like working with young people and I enjoy the challenge. My favorite subjects to teach are Mental and Physical Health, and Alcohol and Drug Awareness."

**Mrs. Malone:** "Teaching is enjoyable; however the difficulty imposed upon teachers in this sytem makes teaching less enjoyable. One of my favorite teaching experiences is having a class where all the students are motivated, enthusiastic and well disciplined." **Mrs. Edwards:** "I enjoy teaching those students who show enthusiasm for learning. One of my most embarrassing moments was when I stepped back one day and tripped over a student's foot I fell flat on my "FONDILLO." **Mr. Perez:** "My mom taught English so I wanted to keep the tradition of teaching. I like being around students and seeing them advance to higher education."

**Mrs. Tolliver:** "I chose to follow the example set by my idol, my grandmother — and that's why I became a teacher. There's no certain age group which I enjoy teaching. I am a people person — any age group would be enjoyable."

# Thumbs Up !!

Ads are a vital part of the 1989-90 Central Pegasus yearbook. Advertisements recognize the support of the community for Central. The yearbook staff "hits the streets running" every year trying to muster up enough ads to give the school the type of yearbook it expects.

Ads improve the looks and quality of the yearbook. They also decrease the price. Jeff Morgan, of Balfour, says, "We advertise to help yearbooks out and to contact businesses."

Central appreciates all the businesses and patrons who purchased ads in the 1989 yearbook. Thanks for your continued support.

## **GREENPEACE**

Unfortunately, there is no new and improved, quick and easy way to clean up our environment.

But there is Greenpeace.

We take action against environmental abuse wherever we find it. And we do it without force. Without violence.

You can be a part of our worldwide campaigns to clean up our oceans, land, and air.

You can help us rescue whales, dolphins, and kangaroos from being wiped out by the thousands.

With your support, we'll be able to turn Antarctica into a World Park.

And without you, we'll never be able to protect our oceans from nuclear weapons, our families from pesticides and toxic chemicals like dioxin, and our beaches from offshore drilling.

Please support Greenpeace in our fight for a cleaner, more peaceful world.

Look at it this way— for the price of a few boxes of detergent, you could help clean up the whole planet.

STEVEN,

WE ARE EXTREMELY PROUD OF YOU AND ALL YOUR ACCOMPLISHMENTS. OVER THESE YEARS WE HAVE SEEN YOU GROW INTO A RESPONSIBLE AND MATURE ADULT. IN EVERYTHING YOU DO, YOU JUMP STRAIGHT IN AND MAKE SURE IT'S DONE RIGHT. CONTINUE TO DO SO. WE ARE SURE YOU WILL DO WELL WITH ANY TASK YOU UNDERTAKE. YOU'VE BEEN A GREAT JOY IN OUR LIFE AS WELL AS A "PAIN" SOMETIMES. MAY YOU SUCCEED IN EVERYTHING YOU DO. WE LOVE YOU SON AND CONGRATULATIONS.

# Dedication

ERIC JOLLEY  
1972-1989

STEPHANIE MINTER  
1972-1989

KATRINA BROWN  
1970-1988

Eric Jolley was more than a friend.  
When you were with Eric, it was never dull.  
He knew what to say and what not to say.  
He will always be with me and in my heart.  
He will be sadly missed, not only by  
his family and friends, but by his brothers.  
Just remember Eric from the good times  
you might have shared with him and keep  
them in your heart. We all love you  
Eric. Peace.

I held a jewel in my fingers —  
And went to sleep —  
The day was warm, and winds  
were prosy —  
I said "Twill keep" —

I woke and chid my honest  
fingers,  
The gem was gone —  
And now, an Amethyst  
remembrance  
Is all I own —

Emily Dickinson

She had a nature you could not  
help  
loving,  
And a heart that was purer than  
gold;  
And to those who knew and  
loved her,  
Her memory will never grow  
cold.

When most students think about the yearbook staff they think about people taking pictures and making lots of announcements. However the yearbook staff is much more. Behind the scenes we have picture croppers, copy writers, layout artists, computer operators, sales personnel, and the ever-popular selling ads. Putting together the yearbook is a lot of hard work and long hours after school, but it's all worth it when we see the finished product.

It's not until you work with the yearbook that you realize just how lazy and stubborn the student body can be. We almost had to "shoot" Ms. Corson's dog to make you buy this yearbook. Now aren't you glad you did!

We hope you enjoy the 1990 yearbook. A lot of long hours and hard work have gone into it. We would however like to pause for a minute and thank Ms. Corson, our advisor, without whom we could have never done this.

1. Jason Maddox and Amy Lines spare a moment to discuss ad sales.
2. Carly Price gets excited over selling all her ads.
3. Chad Frazier and Orlando Moss get serious about their work.
4. Jennifer Caldwell gives a helping hand to Jennifer Phillips and Lisa Call as they prepare layouts at yearbook camp.
5. Rhonda Knight helps show the way.
6. Ms. Corson and Dawn Collins prepare the yearbook cover.
7. Kisha Foster always enjoys doing her part.
8. Work, Work, Work. — that's all we ever seem to do, says, Steven Hobbs.
9. We were in a big mess at the Josten's Yearbook Camp up at the University of Georgia in June '89.
10. Let's all crowd around the computer!
11. Hey, Hey, the gang's all here.

The 1989-90 school year somehow whizzed by. We must have been caught up in the excitement of football season, the desperation of passing that one class you have so much trouble in, and the frantic rush of getting all your homework done by the next period. Sometimes we just don't realize how fast time goes by until we find ourselves thinking that it was just yesterday when we were standing in the middle of the hall on that first day, wondering where our next class was and what hall it was on. Sound familiar to anyone? You've probably heard this same line before, "In a few years you will look back on this and laugh." Of course that will be when you're sitting at a cluttered desk and you've "made it to the top," while reflecting on how "easy" high school was.

Students here at Central may have different views on what success is — either prosperity and wealth, or happiness and stability, but either way, believe it or not, you couldn't have achieved it without the education you received in high school, or just even from your own personal experience in high school. All in all, we will be "movin' on up" in whatever we end up doing and we have these four years to thank for that.
